To participate in BETC leagues that are skill level specific (I.E. 3.0-3.5, 4.5, 8.0, etc.), a member must have a Club or USTA Rating. Below is information regarding both ratings and BETC's use of them.									
<b>Club Ratings</b> are assigned by a BETC Teaching Professional and are valid indefinitely unless a review is requested. A review of a Club Rating may be requested by any member but shall not exceed more than once annually on any individual member. Reviews of club ratings must be submitted prior to a sign-up or selection process period. The process for a Club Rating review is as follows:									
1. A form in the upstairs office area titled Club Rating Review Form shall be filled out and placed in the office area suggestion box.									
2. The review process will be performed by at least 2 club pros and scores or other data may be requested from league coordinator(s).									
3. After review of a members rating, the Head Pro or appointee will communicate the results of the review to staff to update club records.									
The Club and USTA ratings are posted at the web and available in the office area at the Club.									
<b>Effective the Spring 2008 league season, the following USTA rating information will be used: until then, self and appeal ratings will be allowed as a means of selection into BETC leagues.</b>									
<b>USTA Ratings</b> are provided by the USTA through participation in USTA league play. Annually the USTA updates their ratings and provides the results at their website. The Club will use the ratings posted at <a href="http://tennislink.usta.com/leagues/reports/NTRP/FindRating.asp">http://tennislink.usta.com/leagues/reports/NTRP/FindRating.asp</a>									
Additional information about USTA ratings:									
1. Adult computer ratings will be valid for 3 years and senior computer ratings valid for 3 years.
