

## Visiting team letter

### Welcome to the Boeing Employees Tennis Club!

We are a member-owned facility. All members and guests pay for court time. Your fee today will include a 1/2 hour court at the conclusion of the 1.5 hour court time to finish your match. Both teams split all the court fees. Captains, please collect payment from your players prior to the beginning of your match and pay at the front desk.

BETC has an automatic bell system. It will ring once at 12 minutes prior to the end of the court session and then 3 times at the end of the session.

BETC expects good sportsmanship on the court and in the viewing areas. Abuse of the facility will not be tolerated. While we would encourage fellowship, we cannot allow alcoholic beverages to be consumed on the premises. Please be considerate with the volume of your voices in the viewing areas so as not to disturb other players on the courts.

The member fee is \$5.50 each or for a guest team, today's total fee will be \$96.00 which divided out is \$12.00 a player.
